Our vision

Children enjoy unforgettable moments during their holidays!

Freedom, adventure, nature, experiences, friendship, creativity and international encounters.

What is Caldonazzo?

The SOS Summer Camp Caldonazzo is the summer camp of the SOS Children's Villages, where every summer in July and August up to 1000 children from SOS Children's Villages and other facilities enjoy an unforgettable summer holidays at Lake Caldonazzo.

We offer a colourful, child-friendly and varied program and fair prices for your stay.

Caldonazzo means international meeting, friendship, communication between children and youth from many different European countries.

Sport activities

SOS CHILDREN'S
VILLAGES
SUMMER CAMP ITALY

The sport team offers in July and August to children and youth sporting events, games, individual support, trainings and competitions. Children can try out new sports.

The activities of the sport team are: Football, basketball, athletics, swimming competition, table tennis, table football, volleyball, frisbee, darts, badminton, bike rental and many others.

Outdoor activities

SOS CHILDREN'S
VILLAGES
SUMMER CAMP ITALY

The outdoor team organizes an individual, experience based educational offer.

The children get to know the nature, the environment and special places in the area.

The activities of the outdoor team are:

mountain hiking, sunrise hikes, rock climbing, riverbed adventures, campfires, raft building, archery and table bouldering.

Creative activities

SOS CHILDREN'S
VILLAGES
SUMMER CAMP ITALY

The creative area has always been a central aspect in the Summer Camp as it is a way for children expression and enthusiasm.

The activities of the creative team are:

painting, handicrafts (origami, batik, jewellery, mandala, masks, mosaic) music, dance, theatre, circus, drums as well as events such as a creative festival where the young artists can show their talent.

Food

SOS CHILDREN'S
VILLAGES
SUMMER CAMP ITALY

In cooperation with a local company, we offer balanced meals that include many classic dishes of Italian cuisine, but also international specialties. There is also a vegetarian alternative; food intolerance and special religious menus for participants can be delivered on request.

Security

SOS CHILDREN'S
VILLAGES
SUMMER CAMP ITALY

The safety of children and adults in the camp is very important to us. There is a medical care, a permanent intensive swimming supervision by the life guard, security during the day and night, protection zones and a high sensitiveness in dealing with challenging situations.

Accommodation

In the camp at the lake there are large tents with bunk beds for 4-6 children and bungalows with shower / toilets inside.

In the village of Caldonazzo, 15 min. walk from the lake is the "calm oasis" of the Summer Camp in the via Monterovere.

It offers rest, nature, play and safety especially for smaller children and those who need silence and rest with 22 barrier-free bungalows with shower /toilets inside.

We are here for you!

The team at the SOS Summer Camp Caldonazzo finds individual solutions for every need.

We are looking forward to your contact!
